Week 4: -Anchor Project

Email of Update

You are working on a group project and your team leader has asked for a status update. Write an email updating them on the progress made so far, any challenges faced, and the expected completion date.

Dear Professor Nandini,

I hope you are doing well. I wanted to give you a quick update on the progress of our group project.

So far, we have completed the initial research, finalized our project objectives, and divided the work among the team members. We have also made good progress on the development part and reviewed the work completed so far. Overall, the project is moving forward as planned.

We have faced a few challenges, mainly with coordinating everyone's schedules and dealing with some technical issues during development. However, we are working on these issues and expect to resolve them within the next few days. We are currently on track to complete the project by 6th of October 2026, in the evening by 4:00pm.

If possible, we would appreciate a short meeting at your convenience to discuss our progress and get your suggestions for the remaining work. Please let me know a suitable time.

Thank you for your support and guidance.

Best regards,
